

## WOULD YOU PLEASE JOIN US AS A SPONSOR?

*Imagine hearing the words.....“Your child has cancer.”*

Life is never the same after families hear those words, delivered over 16,000 times per year here in the US. Despite the increasing numbers of children being diagnosed, the tools to fight remain as they were decades ago due to only 4% of the annual budget for cancer research being dedicated to pediatric and childhood cancers.

What does this mean? For decades, the standard of care for pediatric cancers has been to treat with medications that work for adult cancers in adult bodies. The result? Children who suffer life-long devastating side-effects, if they are lucky enough to survive these brutal treatments. Until this changes, it is taking families like ours to make a difference for children battling cancer.

Our family was not given the opportunity to fight. Our son, Maxwell passed away suddenly at only 3 months of age due to an aggressive pediatric cancer called Neuroblastoma. We couldn't fight for Maxwell...but we were forever changed with what we learned. Foundations like the Maxwell James Oskam Foundation raises funds and awareness to fill the gap between what's needed for children fighting cancer, and what is made available to them.

We are a registered 501(c)(3), not-for-profit foundation, and we **proudly award over 98 cents of every dollar we raise** to fund life changing research and treatment options for children newly diagnosed with neuroblastoma. We are fighting to change the landscape for children battling this terrible disease in honor of Maxwell!

We are hosting our 4th Annual Maxwell James Oskam Foundation Tournament for a Cure on Saturday, September 6, 2025. This year, we're hoping to raise \$75,000 to continue funding groundbreaking research and treatment options for children battling cancer. We cannot reach this goal without your support. We would be most grateful if you would consider becoming a sponsor of our meaningful event in 2025!

Thank you in advance for your consideration and generosity-sponsorship levels are attached. Please do not hesitate to contact me with any questions or if you need further information. I can be reached via email at [paula@maxwelljamesoskam.org](mailto:paula@maxwelljamesoskam.org), or via telephone at (610) 597-3339.

Sincerely,

*Paula Oskam*, President-Maxwell James Oskam Foundation, and Maxwell's Mama

### **About the cause:**

The Maxwell James Oskam Foundation was established in memory of Maxwell James Oskam who passed away due to complications of an aggressive pediatric cancer called neuroblastoma at only 3 months of age. Since its inception in 2019, the Maxwell James Oskam Foundation has proudly awarded \$260,000 in funding to our research partner, Beat Childhood Cancer. This has provided funding to further clinical trials and critical genomic sequencing for children battling neuroblastoma.

Pediatric cancer only receives 4% of the federal budget for cancer research each year, and it is taking families like ours who will fight to make a change! It is our goal to raise \$75,000 in 2025 to further this desperately needed research and treatment, but we can not do it without your vital support! We hope that you will join us for what is sure to be an incredible event, as we remember Maxwell, his legacy, and our promise of utilizing all funds that are raised to fight pediatric cancer in his memory!
