THE  
*Biggest  
Picnic*

Hey you,

We're thrilled to introduce The Biggest Picnic—our inaugural annual signature event designed to bring the community together through the simple joys of food, music, and wholesome fun for all ages. This event is more than a picnic; it's a gathering with purpose.

Our mission is twofold:  
to raise meaningful support for Beat Childhood Cancer, and to inspire the next generation by teaching children what philanthropy looks like in action. How to show up, give back, and strengthen their own community from a young age.

We anticipate 150–200+ attendees, including families, young adults, and community leaders from across the greater Tampa Bay region. From blanket-filled fields to live music, artisan vendors, and good old-fashioned togetherness.

The Biggest Picnic is built to become a beloved staple event year after year. We would be honored to partner with you in bringing this vision to life and creating an unforgettable tradition that directly impacts children and families who need it most.

With gratitude,

*Taylor Precourt & Soeboni Banerjee*
